Print the Bike Right® Pocket Crash Guide, cut along the dotted edges, fold and secure with tape. Be sure to keep it with you whenever you ride.

At the Scene
- Keep the Motorist There
- Call 911
- Get names/phone # of witness(es)
- Get name, phone, address and DOB of motorist.
- If motorist refuses to stay or provide ID, get the license plate # and state of issue

When the Police Arrive
- Request an accident report
- Get the officer’s name/badge
- If you are hurt, get a doctor’s report of your injury

After the Crash
- Request an abstract of the driver’s record from the DMV.
- Photograph your wounds/injuries
- Call a lawyer
